The one I love the most

Eeveelution Squad

Two months later...
Eevee!
Can you wake up your brother for me? I kinda need him right now.
But he's already awake.
Not Flareon. I was talking about Jolteon.
Oh.

snoring
snoring
Daddy, wake up.
...
snoring
Wakey, Wakey.

Do you think he will wake up if you do it gently?
Watch me.
Wake up!

See~
Oh.
Later...
Good morning!
Morning...
Uh, Espy.
What is it?

Where's Umbreon?
He's out with Sylveon.
You're okay with it?
Yep, they just went out for a walk...
Is everything okay?
Everything is normal!

Anyway, can you buy these for me in the nearby town?
Sure!
I want to go with you!
Sorry, Eevee. You stay here.
He'll be back shortly. Don't worry.

Eevee.
Is everything okay?
You must be thinking about big bro, right?
Come on, don't give us that look.

Oh, I got something for you.
Here you go. Now you look cuter than ever.

Really?
Yep. I'm sure big bro will love it.
Thank you!
Have fun!

I'm back!
Thanks!
Don't mention it!
Da- Big brother!
How do I look?
Pretty cute.

Come to think of it, where's Glaceon?
Dunno. Is she still sleeping? It's almost noon now.
Alright, I'll check on her.
Eevee, you're coming?
Aye!

Glaceon!
Eevee, can you check inside for me?
Hello.

Hello?
Z
Z
Z
Wakey, Wakey.
Leafy... Let me sleep a little more...
I'm coming in.

She stayed up all night reading these?
Hey, wake up...

You're awake...?
Aaaaah!!!

What was that for? I didn't do anything...
How am I supposed to know why you're in my room?
Wait a second...
Who let you in here?

I let myself in-
...
You're planning something, aren't you?
No, I'm not.
Then why is your nose bleeding?
That's because you punched me in the face.

Still, what do you think you're doing in a girl room?
Waking you up. That's all.
Are you sure you weren't planning to do something on me?
I'm not a creep.
Well, then I'm out of here.

Can you stop following me?
I'm not following you. I'm going to find myself a bandage.

We're back!
Sylveon, come here for a minute.
Can you watch over Eevee for me?
Aye aye!

What's the matter, sweetie?
Come on, tell me. Don't be shy.
I just want to stay close to daddy.
Daddy?
So, who's your daddy? Can you describe him?

Daddy has yellow spiky fur-
Jolteon is your dad?
Wow... Never thought he already had a kid at this age...
Don't worry. Your secret is safe with me.

Anyway, I'm happy to help.
R-really?
How can I say "no" to that face? If you need anything, just tell me.
What can I do to make him loves me more?
Well, that's simple.

How about I teach you some of my moves? It would be very useful for you.
I'm pretty sure you already knew "baby-doll eyes".
But it didn't work.
Just because it didn't work once, doesn't mean it never works.

Okay, I'm gonna teach you "attract".
Is it going to work?
It usually works. Trust me.
Let's see...
Okay, watch me.

Umbreon!
!?
poke

MY EYES!!!
If you want to teach Eevee "attract", why don't you use it on someone else?
Uh... Okay...

Alright, now it's your turn~
It doesn't hurt to try.
N-now?
Okay, he's your target.
Come on. Don't be shy.

I don't know why I want to teach you all my move sets. I just can't help it, you know.
That's great!
You like it? Why don't you say so?

What a day...
That was fun. Let's do that again sometime.
How about every day?
Sounds good to me.
You two seem to get along well.
Aye!

Glaceon!
What do you want?
Nothing. Just want to give you a shout.

Hey, Eevee. You said Jolteon was with Glaceon, right?
Aye!
That means he will be here soon.
Oh, isn't that your daddy?

Oops, sorry.
Finally...
I can rest in peace...
What is he talking about?

Okay, he's here now. Why don't you try what you've learnt on him?
Well, I-I...
Come on. That's what you want to do, right?
B-but...
What if it doesn't work?

Well, you already used it on Flareon and it worked just fine.
Just do it already~
A-aye...

?
Eevee?
Are you okay-
!?

Uh... What do you think you're doing?
Big sis-Sylveon said you would love me more if I did this to you.
Sylveon! What the heck did you teach her!?
What? I just taught her my move sets.

Daddy...
A-are you mad at me?
No, you're just too super cute for me to be mad at.
I'm sorry I don't talk or stay close to you much ever since we got here. I know you try very hard to stay by my side again.

Even if you don't try that hard-
-you're the one I love the most.
Daddy!
Flareon, are you okay?
I'm okay...
